

Treat and Feed Your Thirsty Skin!

Quench is a multi-purpose, topical, moisturizing emollient formulated with the highest quality all natural ingredients. Instead of being 95% filler, as is the case with similar products, Quench is made with 100% active organic ingredients.

Treat and feed your thirsty skin anytime with Quench...No fillers, no synthetics or harmful ingredients. Literally, health and beauty from the "ground" up. Discover it's many uses and pleasures!

For life's personal issues and intimate needs

- **Ideal facial skin softener**
- **Refreshing after shave for him and her**
- **Refreshing and stimulating**
- **Gentle enough for children and babies**
- **Immediate relief for minor skin irritations**
- **For all your skin**

Quench

For all your skin
To moisturize your skin
For insect bites
For massage
For wrinkles
As a skin smoother
As an aftershave
For burns
For body itching
For intimate moments
